Fight in a Saloon in Which One Man Used a Bottle—Robert Wright Snapped a Revolver Without Effect at an Officer—The Fleming Case.

The quarrel between C. W. Wentworth and John Mattison, of the tug Rescue, broke out afresh yesterday morning. Wentworth charged Mattison with having threatened to kill him, and the case was heard Monday night by Justice Dixon. Mattison being unable to give bond was placed in jail. The case was heard by Justice Taylor, and there being no witnesses save the two men directly interested, Justice Taylor pitied the evidence of one against the other and discharged Mattison. Wentworth said: "That is not justice," whereupon Justice Taylor fined him \$5 for contempt. The fine was paid.

BEATEN WITH A BOTTLE.
A bloody fight took place at Huggins' bar, near Portsmouth ferry dock, yesterday morning, in which two white men participated. Charles Brown, a sailor, the neighbors say, grew belligerent and threw a glass at J. S. Sadler, the bar-keeper. Sadler then seized a bottle and struck Brown on the head, cutting a great gash, from which blood flowed profusely. Both were arrested, and the case will be heard to-day. Sadler was bailed on a bond of \$50, with Mr. R. A. Huggins as surety.

IN THE POLICE COURT.
Edward Smith, colored, assaulting W. C. Meggs; fined \$5.
William Lawrence, colored, assaulting Alex. Mansfield; fined \$10.50.
William Holt and William Austin, both colored, baggage snatching; fined \$5 each.
Gus Green, colored, assaulting Adelia Myers; fined \$11.
Sissie Grady, colored, assaulting Nancy Stokes; fined \$5.
Charles Marks, colored, was sentenced to six months in jail for cutting Helen Cherry, colored, on Monday night.

ATTEMPT TO KILL.
Robert Wright, colored, of the Fourth Ward, was sentenced a year in jail for attempting to shoot Special Officer Bell, of the Ocean View railroad. He appealed, and was bailed in the sum of \$250, with Captain John Twohy surety. Wright was doing some indiscriminate shooting, and the officer attempted to put him under arrest. Wright resisted, and placing his pistol against the officer's head snapped the trigger twice. Both times on empty shells. The revolver contained two good shells.

PETERSBURG RUNAWAY.
Chief of Police Ragland, of Petersburg, has requested the Norfolk police detectives to be on the lookout for a 13-year-old youth named Thomas Dunlop Perkins, who ran away from his home, in Petersburg, last week.

THE FLEMING CASE.
The appeal from the sentence of fourteen years in the Flemming case, which was to have been heard at this time of the Princess Anne Circuit Court, has been postponed, and it may now be heard in vacation, or may go over till the March term next. Other engagements of the lawyers prevented it being heard at this time.

TWO SUITS WERE FILED yesterday against the Norfolk Railway and Light Company, as follows:
Ellen Robinson files a suit for \$5,000 damages. She alleges that on August 7th she was in a wagon on Church street, and was run down by one of the cars of the railway, and that she was seriously hurt.
The other suit is that of George Robinson, who alleges that he lost a wagon and harness in the same collision. The wagon, he alleges, was damaged to the extent of \$75 and the harness to the extent of \$25.
Both of these suits result from the accident which occurred August 7th on Church street. The wagon was in the way of the street car and the street car ran into it, hurting Mrs. Robinson and damaging the wagon.

BRAMBLETON.
LOCAL BOARD TRANSACTS BUT LITTLE BUSINESS.

The Local Board of Improvement was called to order in regular monthly session by Chairman C. J. Jones at 8 o'clock last night, with a quorum of members present.

The minutes of the last regular and special meetings were read and approved.
Judge Edward Spalding presented a communication from Mr. A. S. J. Gammon, representing to the board that a water pipe had been extended through a portion of his lot, situated on the east side of Beale street, without his knowledge and consent, and requesting that said pipe be removed, or that he be allowed damages. Referred to the Street Committee to investigate and report.

A complaint of Mr. Lewis that a culvert on Brambleton avenue, in front of Mozart street, was stopped up, thereby creating a nuisance, and a complaint of Mrs. Lewis, that an ugly hole under the Virginia Beach Hotel, on the same avenue, were referred to the same committee.

Mrs. Denby, the contractor for improving Kelly avenue, called the board's attention to a bill he sent in some three months ago for extra work on that avenue, and asked the board to make a settlement with him for it. After some discussion of the subject, the matter was continued in the hands of the Street Committee, with instructions to see City Engineer Brooke and get his opinion and bring in a report at the next meeting.

Chairman Reid, of the Street Committee, reported the streets in a satisfactory condition, and the sanitary condition of the ward good. On the request of Mr. Reid the board allowed the Sanitary Inspector to employ an extra man to assist him in examining the condition of private premises and see that all weeds and high grass is removed therefrom.

CHARLES DICKSON IN "MISTAKES WILL HAPPEN."

Charles Dickson comes to the Academy to-day, matinee and night, in "Mistakes Will Happen," and an evening of undisturbed mirth is promised. The comedy, which is the joint effort of Mr. Dickson and Grant Stewart, is now an established success of two seasons, and comes to us an entirely new production from the hands of scenes, costumes and stage effects.

The story of the play is novel, original and interesting in every particular, and concerns the lively adventures of Mr. and Mrs. Tom Genwin, two young players, whose recent marriage has lost them their stage positions on account of their manager's curious prejudice against matrimony among his performers. Tom has written a play, however, and they endeavor to secure an "angel" for it. Their landlord, Mr. Chase, although the possessor of a charming wife, has an eye for beauty among others of the sex, and strikes up a flirtation with Mrs. Genwin, who, seeing in him material for a good "angel," agrees to meet him and submit the play at his house the following Thursday. She keeps the transaction secret from her husband, intending it as a glad surprise.

Mrs. Chase, who is stage-struck, has in the meantime made an appointment with Tom to read her play at the Academy. Tom places a wager upon Mrs. Genwin and Chase. Complications ensue thick and fast, and the merriment is continuous through the three acts.
The company is composed of eleven people, notably among them being Alma Whittell, Mrs. Fiske's leading woman of last season; Nell McEwen, who was last year an important member of one of Charles Froest's companies; Carolyn Maxwell, Kate Benetun, David Conger, Harry McRae Webster, Carter B. Weaver and William Webb. Mr. Dickson acts as stage manager, and the entire production is under the management of George Homans.

MEMORIAL EXERCISES.

HELD LAST NIGHT BY NORFOLK COUNCIL, NO. 367, K. OF C.

Norfolk Council, No. 367, Knights of Columbus, held impressive memorial exercises last night at its hall in the Academy of Music building. The services were presided over by Grand Knight M. J. Murphy.

Among those who were present and participated were District Deputy L. D. Mahan, and the Grand Knights of Newport News and Portsmouth Councils.

The services were for the purpose of honoring the memories of the following three deceased brothers: Michael Glenan, Thomas Callahan and George McCarrick.

The services opened with roll call and the extinguishing of a candle for each name of a departed brother, signifying the passing of the brother from earth to eternity.
The full program was as follows:
Prelude—Intermezzo Cavallero Rusticano.
Miscellaneous—Brothers E. V. Smith, C. R. Huggins, George McDermott and Prof. E. J. Doran.
Roll call.
Solo—"Calvary"—Brother George T. McDermott.
Reading of the Knight's Address—Brother M. J. Murphy.
Duet—Selected—Brothers E. V. Smith and E. J. Doran.
Oration—Brother M. C. Friary.
Solo—"The Holy City"—Brother E. V. Smith.
Questions.
Prayer.
"Nearer My God, to Thee"—All.

The address of Grand Knight M. J. Murphy was most scholarly and eloquent. He dwelt on the sadness of the occasion and the loss felt by the Council in the death of these brothers, and expressed the hope that all would be reunited in the great hereafter.

The oration by Brother M. C. Friary was the event of the occasion. He paid a beautiful tribute to the memory of each of the departed brothers. He greatly impressed his hearers by the earnestness of his remarks and beautiful thoughts and sentiments that he so eloquently voiced. This was the first memorial service ever held by this Council. The music, which was of a high order throughout, was under the direction of Prof. E. J. Doran.

LAMBERT'S POINT.

Miss Marchla Dutton, of Newport News, who has been visiting her uncle, Captain J. T. Dutton, and her cousins, his two daughters, Misses Lummie and Maude, has returned home.

Mrs. Charles Mayo, of Fortieth street, who is seriously ill, has by advice of her physician been sent to St. Vincent's Hospital for treatment.

The handsome car Virginia of the Norfolk and Atlantic Terminal Company, which was damaged in the recent accident near Lambert's Point, is being put in thorough repair at the car shop at Tanner's Creek, and will be ready to go on the line again in two or three days.

The W. C. T. U. will meet in special session at the home of Mrs. Dr. I. N. Farmer, on Myers avenue, at 3 o'clock this afternoon. Business, selection of delegates to District Convention.

Rev. C. D. Gekker will conduct the regular services at the Presbyterian Church at 7:30 o'clock to-night.
